

October Meeting

Our October meeting was held at Mark and Lisa Hopp's home to view their 1946 J-3 Cub project. No formal chapter business was conducted, hence, no minutes.

November meeting

We have a WWII Corsair pilot as a speaker for our next meeting, Wed. November 2nd, as well as our usual chapter business

Chapter leaders needed!

President Al Barger, Vice President Jeff Nelson, Secretary Kris Murphy, and Treasurer Lanny Smith have decided to step down from their positions. Al, Jeff, and Kris have held officer positions in the chapter since it was started, and have been instrumental in starting up the chapter. Lanny has indicated that he is willing to stay on as Treasurer if someone doesn't step up to the position.

However, the bylaws state that the election process must be started with the formation of a nomination committee in July, with elections to be conducted at the November meeting, and the new officers taking over at the December meeting.

Since this procedure could not be followed, people who volunteer for these positions could also be elected by the board of directors as per the bylaws. The officers of the chapter are considered class 1 directors, and the chapter operations group member, and the group 1 and 2 chapter representatives are class 2 directors.

What this boils down to, is that we need people to volunteer for these positions. Please consider volunteering!

Membership Renewal time!

Its time to think about renewing your membership in the chapter! Please completely fill out and submit a membership form when renewing your membership. Having the complete information, including your email address, lets us keep our records up to date. Those of you with web access can download a form from the website under documents, while those who get the newsletter by mail will find one enclosed with this newsletter. And of course, you can get a form at the meetings.

Crossword Puzzle Solution

Sorry Folks, I forgot to ask Larry for the crossword puzzle solution. Look for it next month!

Young Eagles Rally

Our last Young Eagles rally of the year was October 9th. I don't have any numbers on that (I'm sure Dan will give us an update at the meeting), but here's a couple of pictures shot by Geoff Sobering.
