

A busy July ahead!

July is a busy month for chapter 1389! Here's what's up:

July 5th: Chapter meeting and final fly-in planning meeting. This meeting is a must attend, as this is where we finalize the details of the fly-in including volunteer sign up.

Lisa Hopp will also have the T-shirts-please come prepared to pay for the shirts, or make other arrangements with Lisa. There will be a few extra shirts, so if you didn't order one, you may still be able to get one.

July 8th: Young Eagles Rally 9AM-12PM. Sign up for this event at the meeting.
Fly-in setup 10AM. Help setup for the fly-in.

July 9th: **Fly in/drive in pancake breakfast!** Come in early to get things going. You DID volunteer to help, right??

July 24th-30th The big one! Oshkosh! 'nuff said!

Officer Nominations

Technically, according to our chapter bylaws, in July the president is supposed to form a nomination committee to seek persons to run for office of the chapter. However, we've pretty much run on a volunteer basis, meaning those who volunteer for office usually get it. If you insist on having it done by the book, please let David know and he will put you on the committee. If you want it done by the book then you will be on the committee.

Presidents Notes

First, thanks to all who came to the meeting out at Sugar Ridge (especially those who brought food). It was a good turnout and I am glad we were able to repay Tom's generosity with an appreciative crowd.

Otherwise, there's not much to say this month except that the Fly-In is just around the corner (July 9th) and things look to be on track for coming together on the day. Please, if you can, try and make it to the next meeting so that we can discuss the assignment of jobs and duties both on the day and before.

Bill took us to his hangar after the last committee meeting and showed us the finished pancake cooker. Hopefully, by the next meeting, we will have had a test run and will be ready for action on the 9th.

EAA Morey Chapter 1389 meets the first Wednesday of the month at the Morey Field (C29) FBO at 6:30pm. Guests are welcome! Membership is \$20 per year, and requires membership in the Experimental Aircraft Association.

Please note this address is for newsletter correspondence only.

Another good reason to be at the next meeting is to pick up T-shirts if you ordered them. The price is \$7.50 each so please bring cash or checks to cover the cost. If you missed out on ordering, we had to add a few to make up the minimum number so there *are* extras.

That's all for now. Again, please try and make it to the next meeting so that we can get an accurate idea of who is going to be available on the day.

Until then, enjoy the weather and make the most of it.

See you on the 5th.

David.

Chapter 1389 Membership Meeting June 7, 2006

For the June 7, 2006 membership meeting we had twenty-seven in attendance that either drove or flew into Tom Kretschman's fantastic Sugar Ridge airstrip. Thanks Tom!

Fly-In: The July 9th 2006 Fly-In is just around the corner. The pancake cooker is 99% complete according to Bill Rewey. The debate on Teflon continued. It ended with a membership vote deciding not to apply the coating. A signup sheet was passed around for pilots planning to provide airplane rides. Flyers were provided for the membership to post at work places and area bulletin boards. Tom Kretschman offered use of a 'pancake breakfast' sign he has.

T-Shirts: The chapter T-shirt form was passed around. Lisa Hopp is coordinating the order.

Chapter Member Directory: Get your copy from John Thompson.

Member Directory

Copies of the member directory are still available. If you haven't had your picture taken for the directory, then you must have it taken before you get a directory. Limit of one directory per member. Pick them up at the next meeting!
